## *MetroScene*TV to air on FOXChicago **Chicago's Hot Developers & Realtors to be Spotlighted**

**Addison, TX – January 10, 2006** – *Metroscene*, TV's new hot sheet for Chicago's condo industry, premieres on FOX Chicago on Sunday, February 12<sup>th</sup> at 10am. The 13-week TV series provides condo buyers critical information, to make informed decisions on Chicago's uptown condo market.

Some of Chicago's top developers, including CMK, The Gammonley Group and Sutherland Pearsall will be profiled on *Metroscene*. Their developments will be positioned as THE premier location for condo lovers, wanting to enjoy the luxury lifestyle unique to the Chicago Uptown market. Chicago's top real estate agents' will also provide commentary on which condos gives buyers, the best bang for their buck.

Hosted by talented up-and-coming personality, Roni Proter, *MetroScene*, features information on floor plans, architecture, high rise culture and Chicago's greatest amenity – its people. From South Loop to River North to the GoldCoast/Streeterville area. For more information on *Metroscene*, log onto [metroscenetv.com](http://metroscenetv.com).
